Russell.

Thanks for the email I am sorry I was out of town on business Friday and unable to reply until this afternoon
We have forwarded the draft along to our contacts in Phoenix and expect to have their feedback and ours to you tomorrow during the day

I also wish to acknowledge Tim's Fax letter to me of this afternoon In regard to the inquiry concerning contact between this firm and Mr Magedson, Tim is correct in that he filed a declaration earlier in this case and we did work with counsel in Phoenix on that matter, however, we had no direct contact with Mr Magedson I will pass your request along to our contacts in Phoenix that we be allowed to accept service of process on Mr Magedson's behalf I do not expect we will be given that authority I also acknowledge as correct Tim's comment to the effect that the Court today granted EASI's motion seeking additional time to accomplish service and requiring that a valid address for service of process on Mr Magedson be provided
We understand your desire to accomplish Service of Process by or before the conference on June 15 (assuming the Court does not grant our motion to reset that date)

We will take all of these matters up with our contacts and advise you of their feedback as soon as possible

Regards
Jim Freeman
